

European Intuitive Music Conference 2019

PROGRAMME

The programme is not very tight. This was made so in order to make sure we can keep it. Those who wish are, however, encouraged to take initiative and play more in between, during siesta and in early morning.

All workshop leaders are also participants. Further suggestions for workshops etc. may be made anytime. But as opportunities are limited, please consider also the informal opportunities for playing where of course all kinds of ideas can be tested out.
